

Is your super in order?

ORACLE SUPERANNUATION PLAN

A quick visit to the Plan's website to check two important things can give you peace of mind that your super is in order.

1. Is your super invested appropriately?

Check how you are invested by logging into your account online. The Plan has five investment options, each with a different level of risk and expected return, so you can choose an option, or a mix of options, that is most suitable for your needs. You can also change how your super is invested online.

2. Is your nomination of beneficiaries up to date?

When you have logged into your account online, you can also see who you have nominated as beneficiaries and whether your nomination is binding or non-binding. You can update your non-binding nomination of beneficiaries online. To make a binding nomination, you must complete a paper form, as this needs to be witnessed. The *My Beneficiaries form* is available on the website from the Plan Administrator.

How do I find out more?

More information, including the Plan's Product Disclosure Statement, is available on the website. You can also contact the Plan Administrator on **1800 127 953**.

If you are not sure about any decisions related to your super, consider discussing your situation with a licensed financial adviser.

To access your account, visit <http://mysuper.towerswatson.com/oracle> and click on the "Member Centre" tab.

This newsletter contains general information only and does not take into account your particular objectives, financial circumstances or needs. It is not personal or tax advice. Please note that neither the Trustee, the Plan Administrator, nor any representative of Oracle Corporation Australia Pty Limited or Oracle Financial Services Software Pte. Ltd will provide you with taxation or superannuation advice. If you need help making a decision about your super, you should speak to a licensed financial adviser.
