Oracle Superannuation Plan

New look, same package of benefits

We have a brand new look for our communications but the Plan still offers members the same great range of benefits, including some generous insurance arrangements for eligible Employee members.

COVID-19 and your super

When share markets are falling, remember these 3 key points about your super.

Investment updates

Stay up to date with the latest news about the Plan's investments.

Keep an eye on your contributions

Contributing extra to super can be a tax-effective way of saving for retirement. Our step-by-step guide shows how to track your concessional contributions against the annual limits, to avoid paying extra tax.
