### ORACLE SUPERANNUATION PLAN

#### How you can contribute more to grow your super

Contributing to your super can boost your retirement savings over the long term. As long as you stay within the yearly limits, your contributions can receive favourable tax treatment.

In the lead up to 30 June 2019, now is a good time to check how you're tracking. In this issue of *Super News* we include a guide for how to keep track of your contributions.

#### Your new Policy Committee members

Thanks to all those who participated in the call for nominations for Policy Committee members. This issue updates you on changes to the Policy Committee and introduces the new members.

#### Changes to your insurance

The Trustee has appointed a new insurer from 1 June 2019 and with it are some changes including lower fees for Additional Voluntary Insurance. Read this issue to learn more.

#### Are you making after-tax contributions in 2018/19?

You may be able to claim a tax deduction in your personal tax return if you meet the conditions and submit the relevant form to the Fund Administrator by 15 July 2019.
