

Investment changes ORACLE SUPERANNUATION PLAN

Following a review by the Trustee, there will shortly be some changes to the investment managers of the Plan's shares portfolios.

These changes are expected to add value for members in the medium-to-long term after allowing for some increases in fees.

Are you staying within your contribution limits?

Putting money into super can be an efficient way of building for your retirement. However, it's important to stay within the yearly limit to avoid paying extra tax.

Read the newsletter for a step-by-step guide on how to track your contributions against the limit.
