My super contributions

Oracle makes compulsory contributions to super for you. You can choose to contribute more. If you do contribute more, the amount will be deducted from your pay each pay period. Please tick or complete as required.

Yes, I want to contribute \$ per month or % of my salary to my super.

I wish to contribute from my before-tax or after-tax pay.

OR

No, I don't want to contribute any extra to my super.

You can change your contribution rate at any time by completing this form – your contribution will be deducted from your next pay after the form is processed. There are limits to the amount you can contribute and receive concessional tax treatment. These limits are outlined in the Plan's Product Disclosure Statement (PDS), available on the website.

My investment choice

Unless you make a choice in Part 1, your future contributions will continue to be invested as they are currently invested. Unless you make a choice in Part 2, your current account balances will remain invested as they are currently invested. A fee may apply, see below.

Part 1.

I would like my **future contributions** to be invested in the following option or options:

Diversified Shares	<input type="text"/>	%
Growth	<input type="text"/>	%
Balanced	<input type="text"/>	%
Stable	<input type="text"/>	%
Cash	<input type="text"/>	%
Total	<input type="text"/>	100%

Remember:

- Your choice must add up to 100%. Otherwise your choice will not take effect and your super will continue to be invested in your current investment option.

Part 2.

I would like my **current account balances** to be invested in the following option or options:

Diversified Shares	<input type="text"/>	%
Growth	<input type="text"/>	%
Balanced	<input type="text"/>	%
Stable	<input type="text"/>	%
Cash	<input type="text"/>	%
Total	<input type="text"/>	100%

Remember:

- Your choice must add up to 100%. Otherwise your choice will not take effect and your super will continue to be invested in your current investment option.

Switching and fees

You can change your investment choice on the first day of each month. If you're changing your choice, make sure you submit your form to Human Resources at least five working days before the date you want your change to take place. Your accounts will be changed on the first day of the following month.

Current members can make two types of switches:

1. You can change how your **future contributions** are invested by completing Part 1 above. This switch is available each month at no cost.
2. You can change how your **current account balances** are invested by completing Part 2 above. This switch is available each month. A switching fee applies for each switch.

For details of the current switching fee, refer to the Plan's PDS, available on the website.
